Hello Judge;

I?m just going to ask you to let justice actually be done in the case of Microsoft vs. the USA.

It makes no sense to allow Microsoft to decide which of its applications must be part of the operating system?and it makes even less sense to allow them to decide which companies are legitimate competitors and which are not.

In fact, this entire Agreement makes very little sense. I trust you will do what is right.

Sincerely,

Bozena I.
